To Whom It May Concern,

I am pleased to write this letter of reference for Rita Adhikari, who has worked as a Healthcare Aide at Extendicare Cedars Villa.

I have had the privilege of supervising Rita from Apr 2, 2019, till May 28, 2023, during which time she consistently demonstrated professionalism, dedication, and a strong work ethic in her role.

Rita has proven herself to be an exceptional healthcare aide, providing compassionate care to our residents. She is attentive, detail-oriented, and always strives to meet the highest standards of patient care. Rita possesses excellent communication skills, both with residents and their families, as well as with fellow staff members. She is approachable, patient, and empathetic, creating a calm and supportive environment for those she cares for. Her ability to work effectively in a fast-paced and often emotionally charged environment is remarkable.

Rita is a team player who is always willing to assist colleagues and collaborate to ensure the best outcomes for our residents.

She follows all protocols and policies with diligence and takes initiative to enhance the quality of care provided.

Rita has demonstrated great knowledge in personal care, medication assistance, and supporting residents with activities of daily living. She is also adept at managing complex care situations with sensitivity and professionalism, making her an asset to our team. I have no hesitation in recommending Rita Adhikari for any job or role she pursues. Her commitment to excellent care and her positive attitude make her a standout in any field. I am confident that she will continue to excel and make a meaningful impact wherever she goes.
